3. Purpose

- 3.1 The GB Academy C Squad will be selected using the process set out below. Achieving the criteria does not guarantee selection, it merely enables the lifter to be considered by the panel, subject to compliance with the rest of this policy.
- 3.2 Lifters may be selected if they have met the minimum criteria in a class listed in clause 6.5 and 6.6. In the future lifters will generally only be considered if they have lifted the minimum standard in the current Olympic class(es) (W: 49kg, 59kg, 71kg, 81kg, 81+kg; M: 61kg, 73kg, 89kg, 102kg, 102+kg). Following the announcement of Olympic classes for LA 2028 athletes who have met the minimum standard in a non-Olympic class will only be considered for eligibility during the first 12 months following the announcement. If an athlete is selected for the programme they will be expected to confirm their commitment to an Olympic category within 12 months of it and agree a plan to move into their new Olympic class across the next 12 months with the support of the BWL performance team.
- 3.3 Selection period:
- 3.3.1 In the first year, unless deselected, lifters will be selected for the period 1/6/23 to 31/12/23. This is to align future selections to the calendar year.
 - 3.3.2 Thereafter, unless deselected (see point 10) or otherwise noted lifters will be selected for a minimum of 12 months from the date of selection.
- 3.4 Lifters may be considered:
- 3.4.1 In the first year for results to 30/4/23.
 - 3.4.2 Subsequent selections may be made at any time provided they have met the minimum performance standard and satisfy the minimum eligibility criteria set out below in this document and places remain available.
- 3.5 Once lifters are selected they will be required to achieve the performance objectives agreed with them by the BWL Head of Performance (and/or his/her delegate), which may differ from the criteria set out. Provided they have achieved their agreed objectives (and remain eligible) they may be selected for a subsequent 12 month period(s).
- 3.6 GB Academy C Squad members will be given at least three months notice of their future selection outcome.

4. Programme Requirements

The GB Academy programme (C Squad) will be delivered in a semi centralised way using the two hubs (Brunel and University of Nottingham).

- 4.1 Lifters will be required to commit to:

9 Funding & Sponsorship

- 9.1 The GB Academy programme (C Squad) is funded by a combination of UK Sport, BWL and the Home Nations. It is an athlete's responsibility to carefully read the BWL 'athlete agreement', declare any current or planned funding or sponsorship arrangements to the BWL Head of Performance (and/or his/her delegate) and fully comply with the requirements of these legal documents regarding advertising their sponsors. Failure to do so could result in de-selection.
- 9.2 BWL recognise that Athletes may have sponsors who support them, where these sponsors have asked to be promoted by the athlete following their selection, we recommend they contact the BWL Head of Performance to discuss any potential conflicts with current or potential partners.

10 Confirmation of Health, Fitness and deselection

- 10.1 Each selected athlete must consistently display performance related behaviours, which provide the BWL Performance team and Selection panel with confidence that they can achieve key performance targets.
- 10.2 The Selection panel under the advice of the BWL Performance team reserve the right to de-select any athlete who fails to adhere to the terms outlined in this selection policy & the 'BWL athlete agreement', or who has failed or refused to prove their form or fitness as highlighted below.
- 10.3 Any cause for concern over injury or illness arising from an examination or otherwise will lead to the athlete needing to demonstrate fitness at the discretion of the BWL Head of Performance. The athlete will be asked to undergo a suitable fitness assessment with BWL designated sport science & medicine personnel and/or the BWL Head of Performance (as appropriate).
- 10.4 If BWL wishes to request an assessment, then BWL will provide reasonable notice of no less than 72 hours if it wishes to request an assessment.
- 10.5 If an assessment determines that an athlete is not fit to compete then BWL may outline an appropriate course of action to resolve the situation, which may include deselection if a resolution is not deemed possible.
- 10.6 If it is the reasonable opinion of the BWL performance team through observation of an athlete's training / competition / lifestyle does not demonstrate that they are on track to achieve agreed performance targets, then BWL will be entitled to request an assessment of the Athlete's Form & Fitness.
- 10.7 The BWL Head of Performance is entitled to designate appropriate coaching or sport science & medical personnel to assess the athlete's Lifestyle, performance planning and/or their commitment and adherence to training.
- 10.8 The findings of this assessment will be used to determine whether the athlete can achieve agreed annual performance targets.
- 10.9 If an assessment determines that an athlete is not fit to compete then BWL may outline an appropriate course of action to resolve the situation, which may include deselection if a resolution is not deemed possible.
- 10.10 If an athlete displays inappropriate or unacceptable behaviour that reflects poorly on BWL, themselves or other selected team members, BWL is entitled to investigate the situation fully.
- 10.11 If the actions of the athlete cannot be resolved, negatively affect other selected team members or there is a risk that there will be a negative effect on performance of other individuals in the GB Academy C Squad, then BWL may outline an appropriate course of action to resolve the situation, which may include informal or formal disciplinary action and deselection if a resolution is not deemed possible without having an impact on the performance of the team.

- 10.12 If BWL concludes that an athlete has been found not to have met the above criteria for continued selection (7.4), the selection panel at their discretion reserves the right to:
- 10.12.1 de-select the athlete

- 10.13 A deselected athlete will be entitled to appeal the decision and provide written representation in accordance with the BWL appeals procedure (13.0).

11 Injury, Illness and Pregnancy.

- 11.1 It is highly likely that lifters will, at some point in their career, suffer a performance limiting injury or illness (either physical or mental). Throughout an lifter's membership of the GB Academy C Squad, rehabilitation from injury/illness will be managed by the BWL Sport Science & Medical personnel (working with an athlete's own external practitioners where relevant), in conjunction with the BWL Lead Performance Coach (or equivalent) and BWL Head of Performance. Provided a lifter makes every effort to adhere to their rehab/prescribed treatment and follow medical advice (and not do [or fail to do] anything which may jeopardise their recovery/return to performance), their Squad membership (and associated support) will continue at its current level until the lifter's selection year is ending as outlined in clauses 3.2.1 or 3.2.2.
- 11.2 At this time, the Squad membership of athletes affected by a significant performance limiting injury or illness in any given selection year will be afforded a certain amount of protection.
- 11.3 Athletes who are unable to satisfy their agreed objectives or the criteria set out in this policy due to significant injury/illness in the current selection year may be retained by the Selection Panel for a subsequent 12-month period.
- 11.4 In retaining an athlete on the GB Academy C Squad who has not met their agreed objectives or the Criteria set out in this policy due – either in full or part – to a performance limiting injury/illness, the Selection Panel may add return-to-fitness (relative to the specific injury or illness) performance conditions to that lifter's membership that they will be expected to meet in order to be retained for the whole year, or in future years. These conditions may explicitly require a lifter to engage with appropriate science/medicine staff to support any ongoing medical or illness issues, and engage in any testing/monitoring as reasonably required
- 11.5 Athletes who are NOT currently a member of the GB Academy C Squad will not be afforded the same protections relating to performance limiting injury/illness as described above. Potential new members who are offered Squad membership may be expected to undergo a medical screening/profiling process prior to their place being confirmed. Should they have a current performance limiting injury/illness at the start of their year, the prognosis of which is deemed likely to have an impact on the athlete's ability to progress BWL reserve the right to withdraw their place on the Squad.
- 11.6 Pregnancy: In the event that lifter does become pregnant during their selected year, the lifter would be expected to agree a reasonable and appropriate training and competition programme with the BWL Head of Performance and BWL Lead Performance Coach (or equivalent) that would timetable and plot the return of the lifter after childbirth to full competitive level, allowing them to satisfy the aims of the GB Academy C Squad (i.e. progress to future Olympic Podium).
- 11.7 Provided the lifter adheres to this reasonable and appropriate training and competition plan throughout pregnancy (and for the agreed period after childbirth), the athlete's Squad status (and the associated support) will be protected. Should the lifter be unable to adhere to this plan with our ongoing support or

change their mind about their continued membership of the Squad, and/or they otherwise fail to satisfy the required criteria in the selection policy, their membership of the GB Academy C Squad will end at the end of their current selection year (or after a 3-month transition period, whichever comes later).

12 Appeals

Athletes have the right to appeal their non-selection in accordance with the “BWL Selection Appeals Policy”. A copy can be obtained [here](#). Deadline for submitting appeals is 12:00, 72 hours after notification of the selection decision (subject to change by BWL).

12.1 Athletes have the right to appeal if they are de-selected in accordance with the “BWL Selection Appeals Policy”

12.2 BWL reserves the right to deselect athletes if sufficient evidence exists to suggest that an athlete is not meeting the conditions of this policy. BWL will give athletes a minimum of 72 hours to notify BWL of intention to appeal their deselection.

12.3 BWL will not take further action to remove an athlete’s eligibility to compete until a decision on any appeal has been reached.

12.4 The appeals panel will comprise of.

12.4.1 A legal representative (Who shall be a qualified Lawyer) (Chair)

12.4.2 One additional independent BWL Board member

12.4.3 One additional independent BWL Board member
