

Level 4 Advanced Technical Official (IWF Category 1)

Is this course for me?

Following the IWF rules, this is the next stage in the pathway for Technical Officials who are qualified to IWF Category 2, have been active at national (Tier 1 & 2) and or International championships (European Youth up to Senior) for 2 years and who wish to progress to IWF Category 1.

What will I learn?

Technical Officials take the same exam as the Level 4 course and must adjudicate 100 lifts.

To become a Level 4 Advanced Technical Official (IWF Category 1) you must reach a pass rate of 95% with the combined invigilation and exam questions.

What does this course qualify me to do?

Once you have passed your IWF Exam, you will be qualified as a Technical Official at all BWL Tiered events, all International events including Olympic Games, World & University Championships and Commonwealth Games.

Roles include International Referee, Jury Member, Competitions Secretary and all of the listed TO roles.

Prerequisites

You must be a Level 4 Technical Official / IWF Category 2 Technical Official and have been active at national (Tier 1 & 2) and or international championships (European Youth up to Senior) for 2 years in this role.
