

CPD: Safeguarding Course (Refresher)

This course has been designed to test your knowledge as well as support your understanding of safeguarding.

Prerequisites

If you are looking to complete this refresher you must have already completed a recognised 3 hour face to face safeguarding course. If you complete this course and you haven't completed the face to face prerequisite then this course will not be valid. This course is valid for 1 year, after this you will need to complete another face to face safeguarding course.

Online learning only
